Dear Mr. Debono

Thank you for your letter of the 20th November.

With regard to claims, there is, as you know, the claim relating to 14 Bowden Lane, High Wycombe. At present, I understand that there is the prospect of arbitration. As you know, if an Award is made against you in arbitration and you fail to meet that Award, NHBC will make the necessary payment to the purchaser of the property.

I anticipate, in that event, that my instructions will be to recover NHBC's outlay from you.

Yours sincerely
